CHS Rent-to-Own Demo Setup

CHS — Rent-to-Own Demo Setup

A real, live listing and two ready-to-use accounts — no setup required, test immediately.

The real demo listing

Field	Value
Property	3-Bedroom Duplex, Kawo
Reference number	PROP-000833
Location	Kawo Estate, Kaduna
Monthly amount	₦300,000
Duration	10 years
Portion covered	100%
Status	Already verified — publicly visible right now, no waiting

---

The two accounts to use

Role	Phone number	Ready to use?
Owner — approves the request	**08120000001**	Yes
Buyer — requests, pays monthly	**08120000003**	Already ID-verified. Wallet balance: ₦81,362,500 — enough for many real monthly payments

*All demo accounts use PIN **123456**, matching every other account used throughout testing.*

Step-by-step test

1. **Log in as the buyer — 08120000003.** Find “3-Bedroom Duplex, Kawo — Rent to Own” — search “Kawo,” or filter listings by Mortgage (Rent to Own). Open it and click **“Request Rent-to-Own.”**

2. **Log in as the owner — 08120000001.** A real notification arrives. Opening it takes you straight to the property page, where the pending request is shown directly — buyer’s name, phone, and the real monthly amount — with a single **“Approve this real request”** button.

3. **Back as the buyer — 08120000003.** Go to **My Offers → “Have a Mortgage (Rent to Own) agreement instead?”** Make a real monthly payment and watch the ownership percentage update live.

4. **Repeat payments** to see the percentage climb, and confirm the sale-completion flow begins once it reaches 100%.

This setup matches the CHS Rent-to-Own Testing Guide step for step — the demo listing and both accounts are already live, so testing can begin immediately.
